SHARE BUY-BACK STATEMENT

PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN ORDINARY SHARES

1. INTRODUCTION

The Company had, at the AGM of the Company held on 22 June 2022, obtained our shareholders' approval for the Company to purchase its own shares of up to ten percent (10%) of its total number of issued shares. The authority to undertake the share buy-back shall, in accordance with Chapter 12 of the Listing Requirements, lapse at the conclusion of the forthcoming AGM to be held on 20 June 2023 unless the authority is renewed.

On 27 April 2023, our Board announced that our Company proposes to seek our shareholders' approval to renew the authority for the Company to purchase its own shares of up to 10% of the total number of issued shares of the Company, at the Nineteenth AGM to be convened.

SHAREHOLDERS OF JCBNEXT ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE ORDINARY RESOLUTION TO GIVE EFFECT TO THE PROPOSED SHARES BUY-BACK AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK

We propose to seek the renewal of authority from our shareholders to empower us to purchase from time to time through Bursa Securities, JcbNext Shares not exceeding in aggregate, ten percent (10%) of the total number of issued shares of the Company. As at LPD, the total number of issued shares of the Company is 132,029,700 JcbNext Shares. Accordingly, the maximum number of JcbNext Shares which we may purchase pursuant to the Proposed Share Buy-Back amounts to 13,202,970 JcbNext Shares, represents ten percent (10%) of the total number of issued shares of the Company.

The authorisation, if given, shall be effective immediately upon the passing of the ordinary resolution relating thereto at the forthcoming AGM and shall continue to be in force until:-

- (i) the conclusion of the next AGM of the Company (being the Twentieth AGM of the Company), at which time the said authority will lapse, unless by an ordinary resolution passed at a general meeting of the Company, the authority is renewed either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the Twentieth AGM of the Company is required by law to be held; or
- (iii) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting;

whichever occurs first.

Pursuant to Paragraph 12.17 of the Listing Requirements, the Company may only purchase its own shares at a price which is not more than fifteen percent (15%) above the weighted average market price of the shares for the past five (5) market days immediately preceding the date of purchase. The purchase of JcbNext Shares by the Company from the open market on Bursa Securities will be made through its appointed stockbroker(s) as approved by Bursa Securities.

The JcbNext Shares purchased by the Company will be dealt with by the Board in accordance with Section 127(4) of the Act in the following manner:-

- (a) cancel the JcbNext Shares so purchased;
- (b) retain the JcbNext Shares so purchased as treasury shares; or
- (c) retain part of the JcbNext Shares so purchased as treasury shares and cancel the remainder.

If the Board decides to retain the JcbNext Shares so purchased as treasury shares, the Board may:-

- (a) distribute the Treasury Shares as share dividends to shareholders;
- (b) resell all or part of the Treasury Shares in accordance with the relevant rules of Bursa Securities;
- (c) transfer all or part of the Treasury Shares for the purposes of an employees' share scheme;
- (d) transfer all or part of the Treasury Shares as purchase consideration;
- (e) cancel all or part of the Treasury Shares; or
- (f) sell, transfer or otherwise use the shares for such other purposes as the Minister may by order prescribe.

An announcement will be made to Bursa Securities upon the resale, transfer or cancellation of Treasury Shares pursuant to Section 127(7) of the Act or upon the cancellation of JcbNext Shares so purchased pursuant to Section 127(4) of the Act.

The Treasury Shares do not confer the holder any rights to attend and vote at meetings and any purported exercise of such rights is void. The Treasury Shares also do not confer the holder the right to receive dividends or other distributions, whether cash or otherwise, of the Company's assets including any distribution of assets upon winding-up of the Company. In addition, the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including, without limiting the generality of the provision in the Act, the provisions of any law or the requirements of the Constitution of the Company or the Listing Requirements on substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on resolutions at meetings of shareholders.

Where the Treasury Shares are distributed as share dividends, the costs of the shares on the original purchase shall be applied in the reduction of the funds otherwise available for distribution as dividends pursuant to Section 127(10) of the Act. Where the JcbNext Shares so purchased or Treasury Shares are cancelled, the costs of the shares shall be applied in the reduction of the profits otherwise available for distribution as dividends, and the Company's total number of issued Shares shall be diminished by the Shares so cancelled pursuant to Section 127(14) of the Act.

In the case of resale or transfer of the Treasury Shares, the Company may only resell or transfer the Treasury Shares pursuant to Section 127(7) of the Act at:

- (a) a price which is not less than the weighted average market price of the shares for the past five (5) market days immediately prior to the date of resale or transfer; or
- (b) a discounted price of not more than five percent (5%) to the weighted average market price of the shares for the past five (5) market days immediately prior to the date of resale or transfer provided that:-
 - the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - the resale or transfer price is not less than the cost of purchase of the shares being resold or transferred.

3. SOURCES OF FUNDS

Our Board proposes to allocate a maximum amount not exceeding the total retained profits of our Company for the Proposed Share Buy-Back. Based on the audited financial statements of the Company for the financial year ended 31 December 2022, the audited retained profits of our Company was approximately RM101.28 million. The actual number of JcbNext Shares to be purchased will depend on the market conditions and sentiment of the stock market as well as the financial resources available to our Company.

The funding for the Proposed Share Buy-Back will be through internally generated funds and/or bank borrowings, the proportion of which will depend on the quantum of purchase consideration as well as the availability of internally generated funds and borrowings. In the event the Proposed Share Buy-Back is financed by external borrowings, our Board will ensure that we have the capacity to repay such borrowings and that such repayment will not have a material effect on the cash flow of our Group.

4. RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back will enable our Company to utilise our financial resources which are not immediately required for use, to purchase our own shares which may have a positive impact on the market price of JcbNext Shares.

It is also expected to increase the earnings per share of our Company in the event the purchased JcbNext Shares are cancelled, which in turn is expected to benefit our shareholders.

We will have the opportunity to distribute the treasury shares as dividends, thus benefiting our shareholders. In addition, the treasury shares may also be resold on Bursa Securities at a price higher than the purchase price, thereby realising a potential gain for our Company.

5. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back will provide us with the opportunity to take pre-emptive measures if need be, to stabilise the supply and demand of JcbNext Shares in the open market, thereby allowing the price of JcbNext Shares to better reflect its fundamental value. The maintenance of the share price is important in order to maintain investors' confidence to facilitate our future fund-raising exercise via issues of equity shares, should there be any such exercises in future. In addition, the Proposed Share Buy-Back will also provide an opportunity for us to make a gain when we resell the purchased JcbNext Shares for cash when market conditions improve.

The Proposed Share Buy-Back, if implemented, will however, reduce the financial resources of our Group and may result in our Company foregoing any investment opportunities arising in the future or any interest income that may be derived from depositing such funds with interest bearing instruments. In any event, our Board will be mindful of the interests of our Company and our shareholders when implementing the Proposed Share Buy-Back.

6. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK

The effects of the Proposed Share Buy-Back on our Company's total number of issued shares, consolidated net assets, working capital, earnings and the shareholdings of substantial shareholders and directors, assuming the Proposed Share Buy-Back is implemented in full, are as follows:

6.1 Share Capital

Assuming the Proposed Share Buy-Back is implemented in full and all the JcbNext Shares so purchased are cancelled, the effects of the Proposed Share Buy-Back on our total number of issued shares as at LPD are illustrated below:

	No. of JcbNext Shares '000
Existing total number of issued shares as at LPD	132,030
Maximum number of JcbNext Shares that may be purchased and cancelled under the Proposed Share Buy-Back	(13,203)
	<hr/>
Resulting total number of issued shares	118,827
	<hr/> <hr/>

However, in the event all the JcbNext Shares so purchased are retained as treasury shares, the Proposed Share Buy-Back will not have any effect on our share capital.

6.2 Net Assets and Working Capital

The effect of the Proposed Share Buy-Back on our consolidated net assets per share will depend on the number of JcbNext Shares which the Company will buy back, the purchase price of the JcbNext Shares at the time of the purchase (i.e. if the purchase price is less than the net assets per JcbNext Share, the consolidated net asset per JcbNext Share will increase and vice versa), whether the JcbNext Shares purchased are cancelled or retained as treasury shares, and funding cost, if any.

The audited consolidated net assets per JcbNext Share of the Group based on the latest audited financial statements as at 31 December 2022 is approximately RM2.64.

If the JcbNext Shares so purchased are retained as treasury shares, the effect of the Proposed Share Buy-Back on our consolidated net assets are as follows:

- (i) the consolidated net assets will decrease by the quantum of the cost of the treasury shares due to the requirement that the treasury shares are to be held at cost and offset against equity;
- (ii) the consolidated net assets will increase if we realise a gain from the resale of the treasury shares and vice versa; and
- (iii) the consolidated net assets will decrease by the quantum of the cost of the treasury shares if the treasury shares were distributed as dividends.

The Proposed Share Buy-Back will reduce the working capital of our Group depending on the number of JcbNext Shares that would be purchased and the purchase price.

6.3 Earnings

The effect of the Proposed Share Buy-Back on our consolidated EPS will depend on the purchase prices of the JcbNext Shares, the actual number of JcbNext Shares purchased and the loss in interest income or the effective funding costs. The effective reduction in the total issued share capital of our Company pursuant to the Proposed Share Buy-Back would generally, all else being equal, have a positive impact on the EPS of our Group in the financial year in which the JcbNext Shares are purchased.

6.4 Dividends

The Proposed Share Buy-Back may have an impact on our Company's dividend rate as it may reduce the cash available which may otherwise be used for dividend payments. Any dividend to be declared in the immediate future will depend on the performance and cash resources of our Group. Further, the treasury shares may be distributed as dividends to shareholders, if our Board so decide.

6.5 Substantial Shareholders' Shareholding

The proforma effect of the Proposed Share Buy-Back on our substantial shareholders' shareholding based on the Register of Substantial Shareholders as at LPD and assuming the Proposed Share Buy-Back is implemented in full and all the JcbNext Shares so purchased are cancelled, are illustrated below:

- (3) Deemed interested in 12,000,074 Ordinary Shares held by his spouse, Ms Koo Tun Kit Betty pursuant to Section 8(4) of the Companies Act 2016.

6.6 Directors' Shareholdings

The proforma effect of the Proposed Share Buy-Back on our Directors' shareholdings based on the Register of Directors' Shareholdings as at LPD, assuming that the Proposed Share Buy-Back is implemented in full and all the JcbNext Shares so purchased are cancelled, are illustrated below:

	<----- As at LPD ----->				<-----After Proposed Share Buy-Back----->			
	<-----Direct----->		<-----Indirect----->		<-----Direct----->		<-----Indirect----->

Notes:

- * Deemed interested in 12,000,074 Ordinary Shares held by his spouse, Ms Koo Tun Kit Betty pursuant to Section 8(4) of the Companies Act 2016.

7. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' INTERESTS

None of our Directors, substantial shareholders and/or persons connected with them have any interest, direct or indirect, in the Proposed Share Buy-Back or resale of treasury shares, if any.

8. PUBLIC SHAREHOLDING SPREAD

The public shareholding spread of our Company as at LPD was 26.87%. According to paragraph 8.02(1) of the Listing Requirements, a listed company must ensure that at least 25% of its total listed shares (excluding treasury shares) are in the hands of public shareholders ("Public Shareholding Spread Requirement").

Assuming we implement the Proposed Share Buy-Back in full and all the JcbNext Shares so purchased are held as treasury shares, the public shareholding spread of our Company will be reduced to 18.74%. The Directors will endeavour to ensure that the Company complies with the public shareholding spread requirement as prescribed in the Listing Requirements in the event that the public shareholding spread requirement is not met as a result of the Proposed Share Buy-Back.

9. IMPLICATIONS OF THE RULES ON TAKE-OVERS, MERGERS AND COMPULSORY ACQUISITIONS ("THE RULES")

Pursuant to the Rules, a person or a group of persons acting in concert will be required to make a mandatory offer if his/their stake(s) in the Company is/are increased to beyond 33% of its total number of issued shares or if his/their existing shareholding(s) is/are more than 33% but less than 50% and it exceeds by another 2% in any six (6) months' period.

In the event that the Proposed Share Buy-Back results in the shareholdings of any of the above parties being affected, the said person or group of persons acting in concert will be obliged to make a mandatory offer for the remaining JcbNext Shares not held by him/them. However, an exemption from a mandatory offer obligation may be granted by the SC under the Rules, subject to the affected person and the parties acting in concert complying with certain conditions, if the obligation is triggered as a result of action outside their direct participation.

As it is not intended for the Proposed Share Buy-Back to trigger the obligation to undertake a mandatory offer by any of its substantial shareholders and/or parties acting in concert with them, the Company is mindful that only such number of shares are purchased, retained as treasury shares, cancelled or distributed such that the Rules will not be triggered. However, in the event that an obligation to undertake a mandatory offer should arise with respect to any parties resulting from the Proposed Share Buy-Back, the relevant parties shall make the necessary application to the SC for an exemption from undertaking a mandatory offer under the Rules before a mandatory offer is triggered.

10. PURCHASE, RESALE OR CANCELLATION OF TREASURY SHARES IN THE PRECEDING 12 MONTHS

As at LPD, the Company does not hold any treasury shares. In the preceding twelve (12) months prior to LPD, the Company did not purchase any JcbNext Shares, resell or cancel any treasury shares.

11. HISTORICAL SHARE PRICES OF JCBNEXT SHARES

The monthly highest and lowest prices of JcbNext Shares traded on Bursa Securities for the past twelve (12) months from April 2022 to March 2023 are as follows:
